“ *Dear Family and Friends, On behalf of Monroe County Bd of DD and staff, I extend our deepest sympathy to all of you during this difficult time. I've known Randy for all of the 20 years that he attended MACO. He always had a smile on his face and willing to help out with any kind of maintenance around the buildings. He was Don McBride's right hand man, helping him paint a classroom, buff the floors, mow the grass, and numerous other jobs around the school and workshop. He was determined to keep working while enduring the pain of arthritic knees. He would always stop what he was doing, and greet me with that big smile, while shuffling his new teeth around in his mouth and joke about how they didn't fit! We would talk about the animals he was tending to at home or the fence he was mending on the farm. He was so proud of his new home and bragged about how cool it was in the summer and warm and toasty in the winter. He was a kind man with a big heart and we will all miss him very much. Our thoughts and prayers are with your family, Helen K. Ring, Superintendent of Monroe Co Bd of DD.* ”
