“ Mike and family, I am so sorry to hear about Ray. Although I haven't seen him in a long while, I still have fond memories of him. I recall when he and I coached you and Jeff in flag football. You said you wanted to play half-back, but when we lined everyone up to throw the ball, you were the best. Ray looked at me and asked what I thought - when I said you should be quarterback, he said "okay, but you have to tell him. I don't want him blaming me the rest of his life". He was so proud when you grew into the man you are. Jeff sends his condolences. He said you were always good to him, even when he was a little nerd. We will always remember Ray as a "Good Man". “ I did not know Ray until October 9th, 2014. I had just been admitted to Wheeling Hospital with bi-lateral pneumonia and was concerned about who was going to occupy the next bed. Then along came Ray. We hit it off immediately and for the next 6 days we were roomies. We had a blast, waking up at 3:00 am and getting the nurses to make and bring us coffee. Talk, boy did we talk. I had the pleasure of meeting Karen and their children and grandchildren. Ray was an individual that you do not forget. He made my 6 days of confinement extremely enjoyable. I will not forget Ray Call. Karen, always think of the "Good Times" that you enjoyed with Ray, Betsy and I will. Mike and Betsy Parker
