“ Dude.....3 years and it's still hard to believe you're gone. I got to see sides of you most people never did. I am grateful for that. You had a big heart guarded with toughness. To me, you were a big brother, mentor, a voice of reason and a great friend. Thank you!! Looking forward to the reunion. FYI, I'm not planning on making that trip anytime soon, though. :)

*P.S. Tell your mom I said hello and I miss her.
Adios, for now!*

“ Sorry to hear of Ray's passing. Went to a lot of Mountaineer football games with Ray. He stepped in once during a post game tailgate party in Morgantown and saved my bacon from a huge non-WVU fan who took offense at something I said. Ray just stepped in without hesitation. But I prefer to recall Ray as the kind and fun loving guy I know he was. My condolences to Ray's family and friends.

“ Sorry to hear about RAY....While playing against him or umpiring his softball games, I also admired his passion on the field. I also thank him for not being offended when he was one of the few I ever threw out of a game in my 5 decades of umpiring. LOL....My thoughts and sympathy go out to all of Ray's family and many friends. I'm sure he left a lot of memories for all of us.
