“ I am gutted.. I just came across this over 10 years after his passing. My name is Mark Hoffman- I last spoke to Rege in 2013-4. I am so glad we did.. but regret losing contact. I knew the whole Anglemyre family really well back in the late 60's - but moved away in 1973. Rege and I stayed in touch- he even drove out to Illinois to visit me in his van. I could go on for hours sharing memories.. hockey- baseball- football.. we were in the Anglemyre field in every season. The Beatles, Led Zeppelin and Uriah Heep.. we flipped baseball cards. I just went through some of the very same 1970 cards he and I shared earlier today- I started thinking about him. And told myself- I must look for him. I found this. I know what a good man he was. If any of his family or children cared to hear our childhood memories- the cabins we built.. the hockey league Rege organized. We had a baseball team he led too- we would play other neighborhood teams at the pool in Clearview. please feel free to contact me.. would love to share. Rest in peace my friend. Rege was my very first BEST friend. My condolences to all his loved ones.

“ I'm so sorry for your loss,I knew Regis through A.P. I worked for Linde and would load at A.P New Martinsville fairly often . Regis and I had a good bit in common. He had asked me one time where I lived , and telling him Leetonia Ohio, he proceeded to tell me there was a street in my town named after his ancesters, when he said Anglemyer street, I couldn't believe, that street is one block south of my street and at the south east end of town....I no longer work for Linde and was just thinking couple nights ago about past acquaintances and friends and something in the back of my mind said just for the heck of it look up Regis , I was deeply saddened to read of his passing and know he is in a much better place.....Sincerely, Joe Engle

“ Dear Anglemyer Family,

I know of your legacy through your daughter, Erica, whom I have known for the last four years. Her character is a gift from a loving mother and father.

My thoughts are with you all, and Regis will get you through this difficult time.

May he rest in peace.

“ *I worked with Erica in NY and we have remained friends....and while I never met her father Regis...I knew what kind of man and father he was by the character of his daughter Erica and the stories she shared about her childhood. I believe he was a strong and good man who loved and cared very deeply for his family and who will forever remain in their minds and hearts. There is no better legacy than the children we bring into the world to carry on our beliefs and values.*
