“ I am so sorry for your loss. May "the God of all comfort" (2 Corinthians 1:3,4) comfort and soothe your heart. His promises, found in the Holy Scriptures, can offer much hope. It assures us at John 5:28,29 that our loved ones will be remembered and brought back to life in the resurrection. Please allow God's Word to strengthen you and help you to endure this most difficult time.

“ Kay, Brent, Daryl, Lisa and Kellyann: So sorry to here of Francis's passing. It was always a treat to stop by the carpet shop and listen to Francis. he truly was "one of a kind" I remember when he was in Wheeling Hospital with heart problems and Dad was on the 6th floor after a stroke, I stopped by to see him and he asked me what i was doing there i said dad's on the 6th floor and Francis voice boomed out "THIS HOSPITAL WILL KILLS US BOTH MARK MY WORDS!!" Walter Cronkike say "Thats the way it is" Francis told in like it is. What are Bud Paul and Francis cooking up up in heaven?

“ I have been married to Joe for 30 years. I wish he had taken the time to tell Francis how much he loved and respected him. But maybe Francis knew that. I am hoping he did. Joe looked up to him not only as a mentor but as a father figure as well. I have heard the story so many times about Joe coming to work for Francis at the gas station with "fancy" shoes on. Francis threw those things away and got Joe appropriate work boots. Joe has many such stories of his and Francis's adventures. Francis turned Joe from a snotty nose city kid into a young man that knew the pride of an honest days work. Thank you and God speed Francis. Your family should be proud.
