“ We think back every time on the friends and relatives that we grew up with. We recall all the stories that parents never want to hear and all the fun we had growing up. We will soon laugh together and recall those stories again. Until then Kevin you will be missed.

“ Renolds family, Kevin was my first friend I made when I hired at Honda. I had not talked to him in over a year when on Jan. 19 he messaged me via e-mail and Facebook mentioning the loss of one of his dogs. Knowing Kevin, I felt he needed to talk to someone. So I called him that night. I believe God wanted us to talk one more time. I'm so sorry for your loss.

“ Mr & Mrs Reynolds & Greg...I am so very sorry to hear of Kevin's passing. Kevin & myself were friends for 31 yrs and even though we were not as close as we were through JR high, high school and college...we kept in touch. Kevin was a good friend to me...he was there when I needed someone to talk to. I am really going to miss his phone calls...he always liked to talk about the old days...when things were different. I have so many good memories that will stick with me forever. Rest in Peace my friend...I will never forget you.

“ Kevin began to reconnect with his cousins this past year and we were all so happy about this. I am sadden by the news of his death. His passing reinforces the idea that life is short and every moment is precious.
