“ *One of my favorite memories that I share with Grandpa is that he and I are of the few in the family who enjoy horror movies. I loved when he would put one on and we would be thoroughly enjoying ourselves. Love you Grandpa and Rest in peace.*

“ We are so grateful that mom and Rich shared 27 years of love, laughter, and joy. We were blessed to have him as a member of our family and more blessed to have 27 years of memories of so many good times together. Rich was never one to complain, always wore a smile, and always found a way to make others smile. He was proud to serve his country in the Marines, proud of his family, and enjoyed the love of his Ladybird, who spoiled him daily. Rich will be missed, but remembered with love by us all.

“ Pa Pa, I can't begin to explain how much you will be missed.I looked forward to seeing you and Grandma every time mom and I came up there. I will miss most of all how much you cared for and loved your family. I will how much you smiled and laughed, I don't remember a time you weren't smiling. I will cherish the times I would wake up in the middle of the night to go to the bathroom and see you sitting in your chair watching television. You were always surrounded by family and friends who loved you very much.
