“ Cindy and Susan,
We are sorry to hear about Rick. We lived in the apartment behind you on Jefferson Ave years ago. I remember looking out my back door and it was about zero degrees outside and there was Rick in his hot tub. He was a great neighbor while we lived there. We always enjoyed talking to you both.

I am in shock that I hadn't heard of Ricks' passing, only through a phone call from a close friend of mine (and Ricks') from Grafton WV. ! I believe we met some time ago Cindy for a brief moment, possibly at your home but please know that I thought the world of your husband although our friendship was distant. Rick had purchased a muzzleloader rifle from me a number of years ago after I became disabled as a result of brain surgery in 90'. I remember teasing him to the fact that we both knew that it was a straight shooting rifle. It will be my prayers that God sends comfort and peace to you and yours, God Bless!
