“ Rick and I were only some of "Halley's kids" as we grew up in the 4-H dairy program in Marshall County in the late '50s and '60s, but we struck a friendship that was rewarding beyond measure for me. We shared a memorable trip to Waterloo, Iowa for the National Dairy Judging that has been embedded in my list of fond and rewarding times. I can't think of a more positive person or of a man that so constantly praised his loving wife and family as well as those he considered friends. I can't think of just one time, but many, that he has given even me an uplifting word that brightened my day.

Nancy and family, you have our utmost sympathy. The world has lost a soldier of hard work, peace and joy, and others join in your loss of a wonderful man who was loved by so many. He will be etched in our memories throughout our lives.
