“ Though our lives went separate ways after graduation, like most of the class of '77. I am grateful for the fun we had in school. I also remember Cathy as one of the sweetest classmates I knew. We had reconnected thru the internet and thank God for that. Your light will always shine in the hearts that love you and your life continues forward.

“ Kevin, Keith and David- Cathy is one of the first people I met at the shelter and I loved her from the moment I met her. I know your loss is great but, I also know His love is greater. Peace for Cathy with Him, right? Blessings to you all for who you were in her life. I've never seen anything like it.

“ Cathy was a special angel in my sister's life. They were comrades through their journey of treatments. Cathy was a comforting friend and always had an inspiring word. Although I never met her, I hope we all could look to her example. May it comfort you to know many others were lifting her and the family up to the Lord.

“ *Cathy and I have been friends for many many years. We lived in the same neighborhood, played and grew up together, went to church together and even decided to get baptized on the same day. She will be sadly missed by me and this earth. However, heaven has received a sweet and kind new angel.*

“ Kevin, Keith, David & Donna, So sorry for your loss. Cathy, the boys and Dean & Helen were some of the first people to welcome me to the neighborhood almost 20 years ago and were among the nicest people I've known. I'm glad her parents were my neighbors at one time since that led me to meeting Cathy and Donna, as well. Cathy was a kind and gentle person and a very loving mother. Her and and her family were always next door helping her parents. I was saddened to hear she had passed, but know that she will rest in peace as she deserves.
