“ *Cousins, I have so many memories of our childhood. Your mom was a second mom to all the neighborhood. When I came home I always went to see Aunt Rita, the last time I sat on the porch with her and John and had a great time.*

*I guess y'all know what a blessed childhood we had and she was a big part. There are no words that will ease your pain but know that we all loved her and will keep her alive in our hearts,,*
