“ In 1979 I met Bobby while working at Ormet. He quickly became my brother. He had a giant heart and was always there when those he cared about needed help. While I know that he is in a better place the hole that is in my heart and those who loved him will never be filled. You were one of a kind Bobby Barr. Thanks for being my brother for more than 40 years. Rest in peace my friend.

“ Bobby where do I start you was my first cousin/childhood friend... from visiting either your house or ours. Yearly family reunions at Grandma and Grandpap Barrs house in Hammond Run/ Birchfield... unfortunately we didn't see each other through the years as much as we should have ...you are surely loved and missed ... we will all keep an eye on Kathleen for you

“ Bobby and I are cousins. I have not seen him since he and Kenny helped build our carport but my prayer is for comfort in his passing. His mom and dad were close to our family and remember Bobby when we were much younger. May God give peace and comfort to you all
