“ Dear Brossmans,

I was so sorry to see that Bob had passed away. He was such a great guy and had so many talents and interests. I have so many good memories of him, I could go on and on. But I will leave you with one thought. He is now in heaven arguing with Rube about where they should go to eat. They won't agree, but will finally go for a corned beef sandwich! May his name always be for a blessing.

I am sorry that I won't be able to be with you on Thursday
