“ Well, It has almost been 1 year. It's crazy, it's feels like it has been forever, I just still cannot believe that you're gone. It happened so fast. I never even thought of it. Still thinking about you Papaw. Can't stop thinking about you. I Love you with every fragment of my heart, and I will always be here with you. In my heart I know you are there. I am in yours too, don't worry. I love you Papaw, I hope you continue to have a good rest. And may God forever be in you're soul.
Sincerely,
Cameron

“ Cameron, Nina, Natalie & Davey, my thoughts and prayers are with you all at this time as I am sure you already know. Did not think we would be going through this again a short 7 + years after losing "TUT". When I heard of this yesterday , the first thought that I had was "poor little Cameron and the second one was that Doug is truly happy now he is reunited with the "love of his life. I am sure he and TUT are happy again. I know we would all be happy if she was here, but wasn't meant to be. You all know I am and always be, here for you. That is about the last thing TUT said to me, " Martie take care of and always be there for my kids. We have been through a lot of ups and downs through the years but TUT and I were always there for each other. She was a special friend and she and Doug were so happy after they got Cameron. GOD BLESS YOU ALL and know I am only a phone call away as always. Love to you all and RIP Doug and tell TUT I love her and miss her so much. LOVE YOU ALL, MARTIE
