The “run” memories. I will always remember Bob for his times at the run with Dad. At his house down over the hill with Dad & Uncle Bill drinking. Our trips to NC where Bob & Dad always seems to be “up to something” that usually could have had a tag line of “hold my beer, watch this.”

Well the three musketeers are reunited. Bill -Tom and now Bob. So many happy memories . If it were a holiday there would be a keg . Many weekends at the camp. We partied !! Great times. Sadly miss those times but fond memories. Forever in my heart. ❤️😭😇
