“ *Shawn was always a good listening ear when I needed one and a good friend. He had a good personality and always seemed to make you laugh, there was never a dull moment. He always had a way of making things more pleasant. My condolences go out to those who have cared for Shawn and have informed me of his condition, I thank you all. Shawn's memory will be a treasured one in our home. Rest in peace my friend, ride with the angels.....until we meet again.*

“ *What a great guy. He was caring and funny. Always had a shoulder to lean on and a willingness to listen. I knew him for many years and always had a smile even when he was down. RIP my friend. "Who loves ya baby". He always knew!*
