“ To all of the Dietrich Family - I am so thankful to of had such a good friend and to of been made to feel like part of the Dietrich family. Deter stood behind me through whatever life threw at me. He always had a song to sing (as silly as it may be) or a kind word to say. I will miss his truck pulling up out in front of my home with the "vegetable delivery" - the best tomatoes he had just picked from his garden. We had so many, what he called "adventures" that it will be very strange not to be going somewhere with him. He was truly one of my best friends and I will miss him very much. My thoughts are with you all at this time of loss. May he rest in peace. With Love, Theresa

“ To the Dietrich family: I went to school with Deter, always a smile and a kind word when ever our paths would cross and then when I became a neighbor and would pass Deter by his house, always a wave and a smile. Such a kind person, God Bless Deter.

Bob, you were one of the nicest guys I had ever met. You sure did make our Freshman year fun. Still see you in class and always a smile. Don't think I ever saw you mad. A real friend to all. Rest easy.

I loved Deter like he was my own brother. He was my friend from our first meeting in the fall of 1972. He was kind and generous to a fault. He would do anything you would ask of him even if it put him out. There are so many stories memories. All good ones. I miss you, my friend.
