“ *Sorry TD over the loss of your brother Bobby. Over the many years that we transported patients to the clinic, we saw Bobby many times and no matter how busy he was, he always spent a few moments speaking with us. He was truly a gentle pleasant fellow. So sorry. Bob and Traci Ritner*

Bobby was the best we spent alot of time working and talking together at Wheeling Clinic. When I would bring treats from the bakery I always made sure I had something for him. He was a gentle soul and will be deeply missed by all who had the pleasure of knowing him. Rest in the eternal peace of our Lord. Paula Bierce

“ Prayers to Bobby's loved ones. He was always the go to guy for everyone at the Wheeling Clinic. Stopped what he was doing to lend a hand kind of person. Shared a few lunches with him and fellow workers there. Too young. God will love him.

“ My deepest sympathy to you Candy and your family. I started at the clinic in 1980. I think Bobby started after me, but from the moment I met him, he was always smiling. He was friendly to everyone and always willing to help. Bobby was a good person. He will be sadly missed by many.
