“ I remember Noel in New Cumberland High school. He was always friendly to everyone and a true gentleman. He will be greatly missed. Rest in peace.

“ I moved to Wheeling to practice with Noel's law firm. Noel's office was across the hall from mine and he quickly became my friend and my mentor. On the day I arrived, Noel presented me with a white vinyl notebook containing Noel's forms for simple things like Notices of Deposition, agreed dismissal orders, and an outline for taking the deposition of a plaintiff - all the practical stuff a rookie lawyer would need. I used that notebook for years and years, thinking of Noel each time I did. That kind of quiet kindness was Noel's hallmark. I will miss that. And I will miss Noel.

“ *Noel was an outstanding attorney who practiced law with the upmost integrity & honesty. He was a true gentleman. Noel made a huge impression upon me as because he treated everyone equally and was kind to us young Lawyers that didn't have the experience & talents that Noel possessed. Noel also loved to play softball for the ELKS city team which won the city championship. I'll always remember Noel's kind smile- I always looked up to Noel as a model attorney - he was a great man and a wonderful friend*

Bob says it all. I had the pleasure of practicing law with Noel in the last years prior to his retirement. We also were students at Bethany at the same time. Noel was a good friend and good lawyer. Anne, along with you, we will miss him likewise.

“ Anne and family, I remember Noel as a kind, giving individual who never failed to offer his friendship to me many times over the years. I recall, when I had sent a note of condolence after the death of Miles, he sent me a reply in which he shared a loving, heartfelt account of Miles’ life and his many attributes. My heart goes out to all members of the family at this time. With much sympathy, Andrea Allen
