“ Dear Hankets,  
I pray our Holy Spirit comforts you as Bob has gone home with our Lord. I'm so thankful that your separation is temporary.  
Bob brought so much joy to our young athletes with the countless hours he spent helping them. I enjoyed talking with him at track meets and the JM Boosters carnival. He truly modeled Christ in his humble service and love for others. I'm sure Jesus greeted him with the words, "well done, good and faithful servant!" allen underdonk

“ Sorry to hear of Bob's passing. He was the eldest of the great Grant Avenue gang, the Morris twins, Bungards and Mowders; Bob had the biggest, baddest bike in the neighborhood, and wiffle ball games were played with home base in front of his mother's house and home runs hit across the street over Popp's white picket fence. Blessings to you Lexie and your family. Pat Hill

“ Bob was pleasant gentleman full of caring service as exemplified by membership in service organizations. His greatest service was to contribute to Lexie's service to hometown organizations. It was most entertaining too visit with Bob at Fish Fries and other social gatherings. We all recognized that his life has been enhanced with his dogs. The celebration of Moundsville High School Alumni will miss his participation as well as many other social gatherings. His present will be felt when we all look around the room trying to find him as he always was there.

“ *So sorry about Mr. Hanket. It was always a pleasure to talk to him when he walked his dog to find out the latest on JMHS sports. If the ultimate goal in LIFE is leaving a legacy which your surviving family members can be proud of, Mr. Hanket touched all bases, hit the 3 pointer, and kicked one thru the uprights. I'm sure he'll be missed and remembered by all who knew him. He was the definition of a true sports booster.*
