“ *The Morgan family made our memories of WV so special! From Vicki teaching me how to make homemade biscuits, to Bob making me (and my sisters) fear for our lives while driving straight up the side of their mountain! Not to mention little Sandy, who as a baby always preferred my husband’s lap over mine. . .lol. The Morgan family will always hold a special place in our hearts,*

We’re so saddened to hear of Bobs passing. He was always so gregarious, welcoming, and larger than life. He will be missed. You kids, take care of your momma! Please give her a Big Squishy Hug for us. . .

It just does not seem possible to be hearing of the passing of Bob. We got acquainted with him and Vickie when they were just newly weds and rented our cabin in Smoke Hole, WV. Both were such nice folks. My granddad, grandma VanMeter and Debbie thought so highly of them and loved their visits. It’s been years since we saw them in person but they would cross my mind from time to time when I saw news from their town of Hundred or went I would back to Smoke Hole. Now your sickness and toils are over. May you rest at the feet of Jesus. When you meet up with my granddad and grandma VanMeter give them a hug from me. I know you will be a great watchman over your family.
