“ *Shirley and family,*

We have so many precious memories of Robert . One memory that will always be in the front of all minds everytime those church doors opened, here came Robert with his bible in one hand with a brown lunch bag of blow pop suckers. We all have so many adventures with him. He always had a smile on his face. He will be missed by so many. We are so glad that we were able to be a part of his life. I'm so glad I got to hear him say one last time I love you sweetie. Rest In Peace Robert!
