“ *From the Parsons family to the Tetrick family, we are so sorry for loss of such a great man. Bob always was good to me and I couldn't have ask for a better man to be my Father in Law. I thanked him once for having such a perfect boy that grew up to be such a gentleman and he said to me, "Well, I didn't have much to do with that but he's my baby boy and thanks for loving him!" Omg, I have too many memories and we use to loved to talk. He would always tell people I was a school teach and how proud of me but honestly, I spent most my days in college doing my school work in his garage-it was oddly comfortable and I would have never got through it without his and his family's support. I will miss him so much. Rest In Peace dad, thanks for accepting me as one of your own. ❤️*

“ *Betty, so sorry for the passing of your Dad. I always loved it when he would tell a story of our Dads being together at the Press Club! Or just talking to him at his house. He was really a nice man, and I know how much he meant to you. I lost my Dad a year ago, so I know what you're going through. It's like your heart literally broke from sadness. I'll be praying for you and your family to get through this sadness.*
