“ My mom was truly loved by everyone. She never met a stranger and always saw the good in everyone. She loved spending time with her family. She enjoyed reading, playing cards, and baking. Loved making peanut butter cookies, we found at least 15 handwritten recipes for them! Mom would brag about her large family of children, grandchildren, and great grandchildren to anyone who would listen. I'm going to miss my phone calls with her so much and all the laughs we had at family get togethers. She was a very special lady!
