“ I was looking up Robin’s phone number...then I came across her obituary a year ago...
Robin was a very kind person...she loved her girls...I worked with Robin at Triple A in the USA...I’m very grateful that are paths across.... Even tho it was a very short time... Robin was a good friend...

“ I worked with Robin at the sewing factory in Bellaire. She was a very hard worker and dedicated. I remember her bringing Samantha with her on Saturday to help get an order out. We only worked half days when we worked on Saturday. Robin was in my section, we both ran trip machines. She was always kind. My sympathies to her family. May your memories bring you comfort and God give you strength during this time. Sharon Porter
