“ *Deloris, Katrina and Family
I was a year ahead of school but have known Rodney for long time. Not only did we ride that a old yellow bus every morning and evening to and fro school, we attended the MYF meetings where Deloris was our leader. It is hard to lose anyone you love but even harder when they are so young. My prayers are with you.*

“ *As his daughters best friend from kindergarten through college, I'll never forget my "second dad". Many weekend sleepovers to fun in the snow with both Carisa and Shane. I remember most how nice he was, how great of a carpenter he was and most of all how he and Shane would each get a big bowl of ice cream with peanut butter for snack. It has been a long time since I last spoke to Rod. Life is shorter than we realize. My love and prayers to the entire family especially Carisa and Shane...I am sorry I can't be there for you. I am always a phone call away.

“ I worked with Rod in the meat department at Witschey's from 2003 on. I remember the many stories of his childhood and of all his hunting adventures. He was always particular in his work and very neat. A great guy I had the pleasure of knowing for much too short a time. Prayers to his family and God bless!
