“ *Uncle Roger, You were loved so much! A great Uncle, father, grandfather, brother and husband. I'll remember your laugh and your humor. You gave me away at my wedding and you rehearsed those 3 words, "I her Uncle" for days as if you would forget them. It seems everything you did, you did with humor. My family and I will miss you so, so much. Until we meet again in Heaven, your memory will be cherished and loved. Kathy*

*My dear sweet uncle Roger, I just want to say that I love you and I'll miss you so so much. Going back home will never be the same without you there. I can still see and hear you come up behind me, and rap your arm around my shoulder and say, "how's my little Teesee doing." I hear your unique laugh, and loved your great sense of humor. U always made me feel that I was special to you, and that meant the world to me. U always said u loved my chubby baby hands, that now are older and wrinkled, but wish I could hold your hand once more. I'll be seeing u again some day when I make it to heaven, and I know you'll be waiting for me at the heavenly gates with that smile that was always on your face. I love you forever. U will never be forgotten. 💕*

Dear sweet uncle Rog. I'll miss u so much. I can't quit thinking of and hearing your laugh. It was contagious your sense of humor and fun loving wittiness made you a joy to be around always. I can hear you come up behind me, put your arm around my shoulder and say ,” how's my little Tessie doin.” U were the best uncle ever, and I will never feel the same going back to wva without u being there to greet me with your big sweet friendly smile. I love you and will be so excited to see you again one day in eternity. Save a hug and a seat for me at that heavenly table. 💕🙏🥹

*Linda, Jodi, and Jason, We are sorry for your loss. I don't think I have ever met a kinder man. We could not have asked for a better neighbor years ago when our kids were growing up. Roger always had that "twinkle" in his eyes when he asked how we were doing and how were the kids. He made the world a brighter place!*
