*I was in high school with Roger. Class of 1973. I just have to say that Roger was one of the nicest guys in our whole class. He was always so friendly and more than that so respectful and such a true gentleman. Not very long ago I was looking through my yearbook and when I saw his picture I can honestly say that once again my feelings never changed. He was just an all around great guy. I am glad that I knew such a wonderful person. My condolences to Roger's family. God must have needed another angel. And he got the very best. RIP Roger. Your friend Melanie Bogetich Dufaud.*
