“ I had an occasion to work along side of your dad a few years ago when he was connected to the local water board. He easy and interesting to be around. Talented especially remember his interest in older tractors. Also remember the leg issue and his desire to keep going. Sorry for your loss and God bless you all.

“ We are deeply saddened by Rogers passing. Having been from Clarington Roger and Vic were acquaintances for many years and got to know each other much better through their time at dialysis. Roger was absolutely amazing at all he could accomplish given that he was missing part of his leg. We were always in awe at how well he maneuvered and his good attitude that he had in all that he did and encountered. We will keep your family in our thoughts and prayers and will forever cherish our memories that we had with him at dialysis. -Vic and Millie Mozena and daughter, Michelle Christman
