Katie, Barb, Carlo, Kelly, Rick & Grandchildren : Roger was the best brother anyone could have. I am thankful for the day I got to be with him. When Roger, Shirley & me would get together once a year, I really enjoyed our time together, we would have our favorite drink and talk about old times, like brother's do. It won't be the same, I miss him terribly. I am praying that the Lord will give you all comfort through this time. If there is anything you ever need or if you just want to talk, you can give us a call. All the family here send their deepest sympathies. Love you all

I just found out about Roger's passing. I am so sorry to hear about it this late. Roger taught me a lot when dispatching and helped many a nights after he had his night caps. He is truly missed. the beach will not be the same and I am sure all his golfing buddies agree. I like to include him in part of the good ole days with Matlack. You and your family are in my thoughts and prayers.
