“ *So sorry that you all had to lose him so young. It really hurt and upset JB seeing him that way, knowing the character he was in his younger days. JB enjoyed taking him a ride in the convertible, and playing some tunes for him. May you all find peace in his memory. Our hearts and prayers are with your entire family.*

“ Very sorry about Roger. He was one of those guys who always seemed to enjoy life and people under any circumstances. I'm sure he got the most out of his "brief" time on this earth. Roger will be missed and remembered by many. My thoughts and sympathy go out to all of his family members and many friends.
