“ Elaine and family, I was so sad to hear of Roger's passing. I followed intently, Sarah's post on facebook, always hoping and praying for the best. I have spent many years away from Moundsville since moving to Morgantown, but, many times while visiting I would stop in the pharmacy for my parents or grandmother and Roger would always make a point to come out front and talk to me. Roger would ask me about my life, my daughter, Morgantown and mom and dad, even though he probably had seen them the previous week, that gesture meant a lot to me. I know your hearts are heavy, may God hold you in his arms and comfort you. My thoughts and prayers are with you.

“ Dear Elaine and Family, I was so sorry to read of Roger's passing. He was such a good role model for all pharmacists and students. His encouraging words helped me when I was undertaking leadership roles in pharmacy in the state. Roger was always so organized but also a lot of fun at state conventions. He had a vision of where pharmacy should be and he was never afraid to share it. You have been in my prayers since I had first heard he was ill. My thoughts and prayers continue to be with you.

“ Roger will be very badly missed by all of us who he helped year after year by visiting our classess to give guest lectures and share his professional experiences with student pharmacists. He was a great pharmacist and a compassionate gentleman. Roger showed exemplary class as a human being all the time. I will miss his friendship and support. To his wife Elaine and children, I am very sorry about your great loss but be assured that he being the quintessential pharmacist in heaven and giving good medication advice to all those who preceded him. They must need him more, and as it is said whom the gods love, they die young.
