“ *So sad to learn of Roger Doc passing. He was my next door neighbor many years ago. Always kind and so nice to talk to. He was also my dentist. None more caring or gentle then he was. He attended my wedding in June 2001 and we kept in touch throughout the years. Every communication with him no matter how long it had been since the last time we spoke was the best. He will be missed and the memories of our conversations will always remind me of how genuine and caring he was. RIP Doc. Prayers for his family.*
