“ *When a loved one dies, it is always a painful and difficult experience for the family. Sorry for your loss. The best friend a bereaved person can have is our Creator, God. May you find comfort as you pour out your heart to him in prayer, because he cares for you. (1 Peter 5:7).*

“ *To Chris and family. My thoughts and prayers go out to you after the loss of your father. He and I worked together at the UMWA Career Center, were both veterans of the Vietnam War and most importantly, very good friends. He will be deeply missed by all who knew him. Fortunately, we will always enjoy the many memorable moments shared with him during his life. May God bless him and your family.*

“ *I worked with Ron at the Career Center. He was one of a kind, never a bad or harsh word for anyone. I always think of Ron every time I hear a Beatles song. He will be missed by all that had the opportunity to know him.*
