“ Dear Rose family, On behalf of the Athey family, I wanted to express our condolences and sincere love for you all. I know that a great heavenly reunion took place as Howard slipped from this earthly life to an eternal place where he was greeted with love and smiles and laughter by old friends who went before him (my did, included). May you feel the love of those who now include you and your family in our prayers. Thank you for your friendship and for Howard's friendship with my parents. Eternity is real, and though you face the sorrows of this life and your loss right now, you will be together again. God bless you all. Bill Athey Mary Lou Athey and family members
