“ *Rose Family, our families have know each other for many years. Your father worked with my father at the plant, and they also worked for the union together. I met your Mother thru your Dad. I thought the world of Linda, and many wonderful visits with her. I always talked to her around tax time and I will always remem-ber our "solving the world's problems" visits. You are all in my thoughts and prayers. God Bless, Pandora*
