“ Dear David and Courtney.....I am so very sorry to learn about your Mom's death. I remember when I spoke to her at Parent Teacher Conferences at West Bellaire School and how she was always looking out for your best interests. May you find solace and peace in the memories you have of her. She will still be looking out for you no matter where she has flown on Angel's Wings. God bless all of you.

“ God looked around his garden and found an empty place. He looked down upon the earth and saw your tired face. He put his arms around you and lifted you to rest, God,s garden must be beautiful he always took the best.  
He knew you were suffering and in pain, he knew you would never get better on earth again. He saw the road was getting rough, the hills were hard to climb, so he closed your weary eyelids and whispered peace be thine.  
It broke our hearts to lose you, but you didn't go alone, for part of us went with you, the day God called you home. Author unknown  
Aunt Rose you will be greatly missed.

Love,  
Kyli

“ My name is Kathy Ward Tharp..Rose was one of my best friends growing up in school and I have fond memories of her . If she wasn't at my house,I was at hers. You are right, she always had that smile on her face. She's the one who introduced me to my husband,and when we had our first child she bought us our first baby crib. I lost contact with her and didn't know where she was living over the yrs. I will have fond memories of our friendship forever etched in my heart.. I'm sorry to hear of her passing and want you to know that you all are in my thoughts and prayers. God Bless!

“ My name is Sarah Pritt, and I took care of Rose for the past several weeks while she was at Wheeling Hospital. We talked alot about her family, and she seemed to be in a good place regarding her situation. I really love my job, and getting to know my patients, and Rose was no exception. I'm glad God gave me the chance to know her. It's always inspiring to see someone go thru so much, yet still have a positive attitude. I was very sorry to see that she had passed. I just wanted to give my condolences to her family. You will be in my prayers.
