“ *I don't know any of Mike's family but I got to know Mike over that last year and a half. I'm his insurance agent and wrote his truck insurance and 4-wheeler last year. I lost my brother Mike to a predator that took his life and Mike Roth reminded me so much of my brother and I told him that. I called him last week and he told me he was sick with the flu. Then last night, I read in the paper he had passed away the next day after I had talked to him. I am in shock and disbelief. I am hoping that if Mike's sister will read this, will contact me. I am so very sorry for your loss to all of his family. He was a treasured client and I will miss him very much.*

“ *Please know that we send our sincere sympathy to all of you close to Mike. We remember Mike thumbing home from Columbus for his Grandma Emma's funeral. He came to visit us up at our home at Lock 6, Freeport PA when his daughter was in Children Hospital; and, called to talk with Jack just a year or two ago. I am sure he will be greatly missed by his family and many friends.*

“ Our thoughts and prayers are with you all. Mike is and will be missed by so many people. There wasn't a day went by, that he did not take time out to call us, just to b.s. about nothing. Mike was always there when you needed him, he could lift your spirits with his silly little jokes, thoughts and ideas. He was truely, "one of a kind."Mike will live on in our hearts forever and we will see you in heaven again one day Mike!
