“ I am sitting here thinking about how I will never get to hug you, kiss you or hear your voice again and it makes me very sad. But then I remember all the funny, happy, loving & sometimes sad memories that Greg, myself and our daughters have of you and it brings a smile to my face. Thank you Aunt Sally, for always loving me and all the wonderful memories that we have shared through the last “umteen years”! You will always be in my heart and memories. Be at peace with God with no more suffering or pain. We love & miss you more than any words could ever say. ❤️❤️❤️❤️❤️🙏🙏🙏🙏🙏

“ Gma, my heart is broken to have lost you but I’m so thankful that you are no longer suffering in pain. You’ve taught me so much in this 31 years I’ve had with you and I will always carry you in my heart. Elora and Ensley are truly going to miss you but I promise I will always tell them about you and show them just how important you were to me. This life will not be the same without you but I’m glad you will be waiting for me in Heaven. You are the strongest person I have ever known. You’ve fought cancer for 15 years and I’ve never seen anyone beat off lung cancer like you!!!! I love you, I love you, I love you. Thank you for waiting for us all to be there by your side before you passed. I’ll watch the Steelers and cheer them on for ya 🥺🥺🥺 I love you sooo much Gma ❤️❤️❤️ Rest In Peace

“ I was saddened to learn of Sally's Passing. I have several Great Memories of you dated back to when I was a young boy. I moved to Toledo, Ohio in 1970 but would come spend the Summer in WV with my Grandparent, the Miles's and my Dad, Fredrick Miles..My Dad and Sally Married when they were in their 30's in which I got very close to Sally and Erin and shortly after, Linda Miles, my sister was born.. Sally always treated me as if I were her own.. I'll always cherish all the Meals,all the Life Lessons and Love that my Stepmother, Sally J. Miles showed me.. Appreciate everything you did for me when I was visiting and living with you!! RIH and continue to Look down on your Family when you can!! You'll never be forgotten!! Love, Brett...

“ Aunt Sally your presence was unlike any other. Your sassy but loving attitude was great. I loved when you'd come with us on random car rides or spontaneous trips out to eat. You were always doing something funny and memorable. You are greatly missed by not only me but the family. I'm so thankful you were able to see my new home and I'm incredibly grateful for all the memorable Steelers games we've watched together through the years. Football games won't ever be quite as fun. Love and miss you so much!
