

Sam DeCrease

August 3, 1959 - September 14, 2013

Sam DeCrease, gently passed into the arms of our Almighty Father on a beautiful Saturday morning. He was surrounded by his loving and devoted life partner, Dan DeWitt, his sisters, Becky and her husband, Roger, and Cathy, as well as his best friend, Lou Smith.

The undaunted courage and spirit of this artist will never be forgotten.

Although his battle is over here, he was not defeated, as he rises in victory over death to join his savior in heaven.

Our pain in his passing is lessened by the faithful knowledge that we will see him again; his kindness, generosity and creativity touched many in the Ohio Valley.

Sam was born August 3, 1959 in Wheeling, WV the son of the late John Herman and Marie Catherine Mackey DeCrease.

He graduated from WVU and was a catholic by faith.

Sam was a sales representative with the Wheeling News Register and a former Wheeling Business Owner.

He is survived by his loving companion of 34 years, Dan DeWitt; two sisters, Rebecca "Becky" (Roger) Haufe of McMechen, and Catherine "Cathy" (Jeff) Burdette of Moundsville; 3 nephews, Brian (Christine) Haufe and their children, Alexis, Zackary, and Cooper, Evan (Kaleigh Sikora) Burdette, and Eric Burdette; his best friend, Lou (Barbara) Smith of Wheeling; 2 uncles, Angelo (Erma) and Jerome (Claudette); several cousins, Pete, Toni Sue Cappelletti, Elaine Burris, Philip Capobianco, Danny Capobianco, Theresa

Kontra, Mike, Marcia Hayes, Lori, Bruno, Vince, Danny, Mark, Robert, and Beth Ann Rosier, and all of his four-legged friends.

Friends are welcome to come share, reflect and celebrate Sam's life on Saturday, September 21, 2013 from 12-4pm at Grisell Funeral Home & Crematory, 400 Jefferson Ave., Moundsville where a Celebration of Life Service will be held at 4pm with Rev. Msgr. Kevin Quirk officiating.

At Sam's request, he asked that if you have a picture of him that you bring it in, so his family can share in your memories of him as well.

Memorial contributions may be made to: DeCrease-DiCrease-DiCresce Family Foundation, Main Street Bank, c/o: Joe Donahue, 112 N. Lafayette Ave., Moundsville, WV 26041.

“ Seeing this for the first time, my heart is broke, Sam was the truly the most wonderful person I ever had the pleasure of knowing, his heart and friendship knew no bounds, the world is a better place because he walked among us, and working with him made everyday fun, full of smiles and lots of laughs, even in my darkest days he helped me pull through, I will miss this man, but I also know he lives in the hearts of us all, and I know that when we cross to the other side, he will be waiting with open arms, and a smile that can heal all.

“ I had the sincere pleasure to share college years with Sammy in Graphics class--there were only 12 of us so we all became very close. Sam brightened up the room wherever he was--his smile permeated life in all ways. I can still hear his voice, see his art, and feel his presence in so many ways. My condolences to Sam's family--sure you will agree we were all better for knowing such a caring sweet human being. He will be in my heart forever.

“ Dear Dan and Sam's Other Family:

It is so sad to think that we are going to be without Sam's laugh and knowing ornery smile.

Like so many, my memories of Sam go back very far, to the early 1970s when my family lived on Alta Vista Avenue (and Sam's family lived on Wheeling Avenue) in Glendale.

He was always so fun loving, effusive, and creative. I have this memory of us all dressing up for the GlenDale 4th of July Bike Parade. We were probably 10 years old.

Sam talked us into making tissue paper pom poms (about 10,000 of them) to decorate my sister Elaine's bike. It took hours. My sister had this big butterfly wing thing going on. She of course won the grand prize, which was I think \$15. So we went to DiCarlos and spent it all, feeding the winning team.

I also remember my first trip to downtown Wheeling (back when it was hopping, before they built the mall.) We all piled onto the bus one Saturday and took it to Wheeling to go to National Record Mart and Papa Joe's sub house by Stone and Thomas, with his Mom (who was also a laugh.) Year's later, when I had moved away, my Mom would always tell me how much she liked seeing Sam at JCPenney. He had this way of making everyone smile, and making everyone feel special.

Dan, your relationship with Sam is an example for us all. Take good care of yourself. I cannot imagine the silence you are experiencing.

“ I was a friend and neighbor of the Decreases as a child .Sam had fun dressing up even then. My mother would buy clothes from the Salvation Army for us to play dress up in. We had fun. Sam and I lost track of each other over the years, but I continued to hear of his talents often. Though I do not know you Dan, please know that my heart goes out to you during this difficult time. “ Where do I begin, I'm so lost for words but have so much to say to Dan and Sam's family and friends.

I met Sam many years back when I was a traveling Fashion Photographer for JCP. We clicked right away . When he would walk by my booth his Smile, his craziness, his fun stature just caught me and we became friends instantly. Then I met Danny his partner and long time friend, who welcomed me with open arms as a friend of Sam's and of His! I was invited to stay at there home when traveling in the area and had great hot tub talks, met the family (dogs) and I was always HOME when there.

Then invited to a Christmas party where "from Wisconsin" I stood out like a sore thumb, cowboy hat and all! Sam Loved making fun of it but knew it was ME. Sam and Dan knowing everyone in town, I was very welcomed and felt like I had a new family!

Since meeting and no longer traveling with that company, we still somehow stayed in contact not often but for sure EVERY Christmas Eve while wrapping presents we would catch up on new times and old times and felt like we NEVER missed a day!

My Heart is broken knowing that he is not around to chat with anymore.

I spoke with Sam only a few months ago and as you all know, he had the Best outlook on life, despite his issues, High spirited, outgoing , laughing about old times and the best attitude. Who would have ever known that we would have an angel this quick in our lives.

To Danny and Sam's Family and Friends that are much closer, please know that he has touched many lives across the country and I was blessed to know him and that he will be in my HEART and MIND FOREVER!

Sam will always be looking over all of us making sure were laughing and loving life, family and friends as he always did!

What a character!! He was the most funny, talented, loving and sunny man I have ever known. I am sorry he is gone, but he is not in pain, for that we have to be thankful!! I remember when he took my families portraits, they are beautiful, he teased my parents and family they fell in love with him too. He was so talented. Danny, you and Sam always made me smile you two were so cute together the love just poured out of you. Remember he will always be with you and all the people he touched, that is his legacy. “ To Dan and the DeCrease Family:

My heart hurts for all of you! I am hoping that you can find comfort in all the wonderful memories you have of Sammy! He will certainly be missed by many, as he was one very special man!

I will always remember the fabulous flowers/decorations Sammy created for my wedding. He wanted everything to be so perfect for me, that when he realized some carnations made it into my flower arrangements, he walked up and down the aisle of the church snipping off carnation tops because he knew I hated them.

Most recently, and so very unplanned, I spent a Christmas night with Sam, his family, and some of my family. It all started with a phone call from my aunt and ended up with all of us watching "Sam's 50th Birthday" video. I didn't know it then, but that would be the last time I would see Sammy. I shall never forget that night! RIP, my friend!

“ *To Sam's Family,*

I worked with Sam over the years as he was my advertising rep at the newspaper, but I also knew him through his wonderful floral design work. We became very good friends. He was one of the kindest men I ever knew, and would go out of his way to do something special for anyone he loved. He would come to visit me at our office in funny costumes just to make us laugh...my favorite was his Alice and Wonderland "Mad Hatter" costume! What a trip! This May, when Sammy was facing his own battle, my mother in law passed away. He went out of his way to help me find a Hawaiian Lei for her funeral celebration, bringing my daughter an angel and a children's grieving book, and stopping by my office with a strawberry smoothie to make me smile. That's the kind of man that he was. I will never forget him - I told him frequently that they just don't make men like him and that he was a special angel on earth. My mother said it best when she said that Sammie was the sunshine in many people's lives. My prayers are with his beloved Danni, who he always talked about with me so fondly, and the rest of his family. I am a better person for knowing Sammy and I hope his legacy will live on in all of the lives that he has touched because he certainly made the world a better place.

“ *Cathy and Family,*

I met Sam in the early nineties when we both took floral design class together at the florist that I was employed. We had so much fun! He brought us chocolates each week and when asked why, Sam replied, " I am the only guy here...a piece offering." Sam was the hit of our class and we all immediately fell in love with him. He didn't even need those chocolates! Would run into him on occasion and we just picked up where we had left off, even if it was a year or two. Sam is truly one of a kind in so many ways. When I met Cathy I should have realized right away that Sam was your brother. You were a great help and an inspiration for my son. Both of you are so kind and caring.

Sam will live on in each and every person that he touched. And, he touched many. We all have much to learn from Sam. If we could all be like him this world would be a much better place. Please take care of yourselves and know that he is in a better place and continuing to be a wonderful person. I am quite sure there are many angels with prettier wings right now. Rest in peace Sam, you really deserve it.

“ My heart is so heavy to have to say goodbye to Sam. I have so many happy memories of Sam...

Back during the days of high school proms and homecomings, Sam would always show up while I was getting ready and give me the most beautiful flowers. (Which I still have!). “ Dear Dan --

When I did my student teaching at John Marshall, I had the pleasure of directing Sam in Agatha Christie's "The Mousetrap" (I believe he played Major Metcalf), and I knew then that he had special talents. Years later, my husband Tim and I met up with Sammy, every now and then, at JCP, and at other places where we'd bump into each other occasionally. “ *I am so very saddened to hear of Sam's passing. We were at John Marshall together and I believe we may have shared some of the same classes. Although we had different friends and didn't hang around in the same circles, Sam had a big presence there!! As guys go, he was a really good guy. Just reading the beautiful tributes show that he continued to be a wonderful human being - loved and treasured by those in his life. So, in memory of dear Sam DeCrease, I light a candle.*

My memories of Sam are that he and Dan lived and operated their wonderful business in 726 Main Street. The house that I grew up in. He and Dan were such wonderful neighbors to my parents when they lived next door. Over the years he and Dan always said stop by and we will show you what we have done with the place. But as is so often, we never got to it. I will miss his personality and wonderful ornery sense of humor and most of all his wonderful talents. This is a loss not only for us but our city of Wheeling and our Ohio Valley.

RIP Sam

“ I went to school with Sam, we were in art class together. He was always a gentle guy with a heart as big as he was. We went to the prom together our junior year! I will always remember his kindness to me. My father had passed away the summer before our junior year and Sam was one of the few friends I really had. It was the only formal dance I attended and it was wonderful to go with a gentleman, we laughed a lot!

The Lord calls all of us back to him from which we came.

Psalm 27:4-5

One thing I ask of the LORD, this is what I seek: that I may dwell in the house of the LORD all the days of my life, to gaze upon the beauty of the LORD and to seek him in his temple. For in the day of trouble he will keep me safe in his dwelling; he will hide me in the shelter of his tabernacle and set me high upon a rock.

May his family find comfort in the Lord in their loss and discover sweet memories of Sam will last their for lifetimes.

“ I went to school with Sam and remember his fun and sunny disposition. He was one of those people that you couldn't help but like instantly.

Even though those years are long past, the memories are still fresh. I will forever remember him as a teenager and I'm sure his soul will be forever young.

Sending prayers and condolences to Sam's partner and family as I know your pain must be great at this time. Keeping him in your heart will ease this difficult time.

“ I am truly blessed to have known Sam. From the first day that he entered our lives at the newspaper, we all became blessed. Sam brought so much joy to everyone around him. A truly remarkable man who was so creatively talented. Sam loved life and he showed such gallant bravery in his battle to live. Our hearts are filled with sadness but we have such cherished memories that will help us mend.

Halloween was never my thing but I couldn't wait to see Sam's costumes each year. They were always over-the-top!

May his memory be eternal!
