“ Tiff and Family, my deepest sympathy on the passing of Sandy. she was such a lady, but also very humble, loving, and caring. We just recently became friends on messenger, and she told my how much you, Bailee, her sister and others had done for her during her illness . She will be greatly missed, but I know you have made memories over the years that will help sustain you during these most difficult times. You will all be in my thoughts and prayers.
