“ *I never had the pleasure of meeting Sandy before her passing. she has treated my daughter Krista like family family beginning and I was just sorry I never got to meet her she got sick. We wanted so badly for her and to be able to see Rodney's and Krista's baby that's coming little Alessandra. I have met Wendy a couple of times and she's just a precious thing and Rodney's. Of course I'm partial to him. He treats my daughter very very nice and he's just won my heart over. He treats me nice to him. And then I met A Linda and she's wonderful too so she was blessed to have these people around her. OK I guess.*

I have known Sandy since grade school at First Ward. We lived about a block away and all the kids around there would ride our bikes around the neighborhood. Great memories. RIP Sandy.
