“ My dear sweet Sandra I love you and miss you so very much. This has been a very hard year losing both you and dad. I have such wonderful memories of you that I carry in my heart, and think of you daily. I love you and hope you and dad are reunited. One day I will see you both again.

You took me in when I came to the States in 1979. We shared a love of cats and when I had my first child Carly you would watch her for me when I worked. Carly has told me of fun times you had together. I remember when we had to take her to the OV ER, she had inserted a pea in her nose! You tried to use pepper but it got lodged. However it was retrieved and all was well,

Then a time when you, dad and Carly were in the car and dad was getting upset and Carly said "come on down granddad".

May God shine his face on you and may you enjoy the peace of heaven and my dear father at your side. I love you very much and miss you terribly.

God Bless
