We had a lot of fun. She was as crazy as me. Favorite memory among many was when we cooked that big old ham for mother at Easter. Sitting at the kitchen table we were peeling off the rind or whatever you call it grease was dripping down our arms and we were laughing like crazy. Lots of laughter and silliness and done times tears but I sure did love my baby sis and will always miss her. Goodbye baby sis (Bethy Babe). Dee

“ I work at good Shephard and I've talked with Beth every single day for the last few years . Many many conversations and laughs . I spent more time with her and the residents it seems than I do with my own family . They do become part of your family so easily . She passed away on my first day of vacation and when I go back on New Year's Eve it's going to break my heart not seeing her there . It's def going to be a different place . I'll miss you so much but I am so happy that you are now at peace . I love ya and the yellow rose bush that you gave me I hope it blooms beautiful this spring
