“ You look so beautiful in that picture. One of my favorites. We had so much fun that day trying to keep Jaden happy and everyone smiling at the same time. We love you. Thank-you for always being there for us, no matter what kind of craziness we have had to endure as a family. We will miss you and we will try to celebrate and honor your life and Dad's life. You were always the strong one.

“ I have loved you my whole life. we have laughed together and cried together .Please know that i was right here in Moundsville while you were dying trying desperately to get in to take care of you. I am sorry it just wasn't met to be. After 40 yrs of nursing -YOU were the one person I wanted to make sure that you received excellent care. I'm so sorry i could not get in the house to try to heal your bedsores and to make you comfortable. we have so many secrets together and I know that you will always watch over me. I have adored you my entire life and I understand why you always allowed Jim to behave the way he did in your house. He loved you too in his own way. Only I know what a TRULY special lady you were. Your loving daughter ,Lyn
