*We are so sorry for your loss. There are so many great memories of Bobo, his bear hugs, his bonfires, and the fireworks (we didn't have to wait for the 4th of July). He was a wonderful husband and father and we are so glad to have been his friends. Our love to you all. Deb and Keith Linaweaver*

*Marilyn, Rachel and Jesse, Bev and I are so sorry for your loss. This world is a brighter place for having Bobo for the short time he was here, I am heartbroken to think the next time I go to Wheeling I will miss that laugh and infectious smile. I don't think Bobo ever met a stranger or a person he did not have a positive effect on "including me". For the last 35 years since I left the area I could always show up in Wheeling and find my old friend, ready to share a beer and a laugh. He will be missed in so many ways by many people, whether watching a Steelers game, setting off fireworks, hearing an old song or just having a good laugh he will not be far from out thoughts. I will miss you my buddy and you will always have a place in my heart. Gods speed my brother I will see you when I get there. Love, Chuck and Bev Anderson*
