“ This is Dad and Mesa after they got married. I love you, Dad. I will never forget about you. You always be in my heart. I know you're up there and watching us. Really wish you could've met my kids before you passed away, but I know you're watching over them. I'll make you proud of me. I'm gonna continue doing right and promise you that I will go back to school and get my license and I wish you were here to walk me down the aisle But I love you. I miss you and we'll see each other again one day rest in peace never be forgotten. It was time for us to get your wings out and fly home granddad was calling for you dad he's ready for you to come home to him. Tell granddad. I love him and I miss him And I always think about him. I'll see him again one day soon rest in peace.

“ Rest in peace Dad you're in a better place now. Don't think I will ever forget you because I won't. I still don't want to believe that this is real. I want someone just let me in the face and wake me up and tell me it's a dream because I don't wanna believe it's real. I can't believe you're gone. I never forget the time on my 10th birthday when you came by my house on 13th St. during my birthday party and told me you wanna take me shopping at Walmart for my birthday present and I said what about my friends and you said I'll be here when you get back so we went to Walmart when we went shopping for my birthday present, you pick anything I want to pick I will never forget the good times that we had Dad. I love you and I always be thinking about you RIP.
