“ Sharon was an exceptional neighbor. She will be missed terribly. When I had to do ivs for 42 days every 6 hours Sharon was always checking on me and helping in any way she could. After I was better I was painting my porch. Here she came with a paintbrush and plastic container to help. He was always there to help anyone she could. She was a great friend and I miss her terribly! God has one of the best!

“ *I called her Ruthie. She was my dear friend. We always made time for phone calls. She never judged or held any negative feelings, despite the tumultuous and difficult childhood she had. She did not have an easy life, but she had her beloved children, grandchildren, many friends and she had her faith. She was always in service to others around her. She loved her family and family pets. Her grandchildren were her sunshine. She was always taking care of everyone around her. She shared with me advice on motherhood, marriage and being a strong woman, that I hold sacred.
I love you and miss you Ruthie*

XOXO forever your friend XOXO
