“ *Don't even know where to start. Sherry (Gam) was an amazing person she had a way of making you feel so welcomed and loved! We have known her over 30 years and have had the best of times with her and the family that we will cherish always. We are so blessed to have known her and got to spend time with her. Some of our favorite times with Gam were playing cards or other games. We will miss you so much but carry a lot of wonderful memories with you. ❤️*

This tribute, Florence Nightengale Tribute, is so true of Sherry. She was a wonderful caring, friend and beighbor who I am missing already. She has certainly earned her place in Heaven. God has his arms around her, I'm sure. RiP, Sherry

“ Sherry was the person who opened my eyes to Public Health Nursing. Loved working for her in the early 90’s. She was a great supervisor and never micromanaged her staff! My sincere sympathy to her family, she always spoke highly of her family and loved you all a lot. She will be missed by many who knew her as well as her family.

Our sympathy to Art and family on the loss of this wonderful woman. We met them many years ago when we were newlywed couples and Jeff and Art were stationed at Quantico. What fun we had! Sherry was always a sweet and loving lady. Our faith tells us she is at rest and peace. Jeff and Linda Pyles
