“ I went to MVA with Sheila. She was a grade ahead of me, but, I had so much fun with her, Sherry, Vickie and Deb! I'm so glad Facebook helped so many of us reconnect over these last few years and I am so happy we all got together for our long lunch a couple years ago. It was a day I will treasure. I'm so sorry for the family's loss. I know she was loved by so many and has left a hole in so many hearts. RIP Sheila.

“ *Sheila was my best friend - the one I went to with everything, good and bad. My favorite person to go on a craft or shopping trip with. The one person who could show up at my house any time of the day or night and I'd open the door right up, no worries about if the bed was made or the carpet vacuumed. The friend that I laughed with until I cried. The person I could have an all out argument with that never ended with hard feelings. We just loved each other too much for that. I'm so sorry her family and friends have lost her far too early. Three things she told me the past few weeks were that she just wanted to get well, that she couldn't wait for the grandbaby, and how lucky she was that Mike was there to take care of her and that he took good care of her. I'm going to miss my BFF until I see her again in heaven.*
